# CONTRIBUTORS

**APRIL-LEA HUTCHINSON** is based in Toronto, Ontario. She has a fondness for film and a deep desire to photograph people as people. Beyond the aesthetic qualities of instant film and long exposures, her relationship with the person in front of the camera infuses her images with comfortable intimacy and a touch of nostalgia. Hutchinson creates timeless images using various film formats including Polaroid. She is a purist at heart. She is also an editor and art director for International magazine *Supplementaire* and 62nd floor. [aprilphoto.carbonmade.com](http://aprilphoto.carbonmade.com)

**ARE BERNARD** grew up with a split childhood in both Atlanta, GA and Brooklyn, NY. He stumbled upon photography, beginning as many do by photographing close friends. Before long, his website [335mm.com](http://335mm.com) was up and running and the rest is history. His work has also been featured in *Complex*, 944, and *Prick Magazine*, as well as [karmaloop.com](http://karmaloop.com), to name a few. [335mm.com](http://335mm.com)

**MEREDITH JENKS** has been shooting for 10 years. Some of her recent clients include Nike, *Glamour*, and Mercedes-Benz. She likes to find the moments in between the moments, which usually arrive after she tells one of her really lame jokes. A few of Jenk's favorite things are: candy corn, running, thrift stores, receiving mail, road trips, five hour walks with no particular destination, her dog Mouse, doodling, collecting cat art, and discovering new ways to season popcorn. [meredithjenks.com](http://meredithjenks.com)

**RAY GUTIERREZ** is a self taught photographer based in Southern California who now hollers 30 years of experience in the advertising industry as a creative and art director, designer, illustrator, and photographer. Gutierrez shoots everything from fashion and editorial to lifestyle and portraiture. Additionally, Gutierrez is a guitar junkie who plays and collects guitars and is currently working on a guitar book. [strangebeautifulart.com](http://strangebeautifulart.com)

**CHRIS FORTUNA** began photographing in his early teens with a Yashica Mat camera. He studied fine art photography at New York University Tisch School of the Arts, and after graduating worked under such old world masters as Helmut Newton, Richard Avedon, and Paolo Roversi. After living and working in New York City he now calls Los Angeles home. When not working on either coast Fortuna likes to spend time attempting to go fast on two wheels. Some clients include Converse, *Esquire*, Sony, and Sprint. [chrisfortuna.com](http://chrisfortuna.com)

**NICOLA ALLEGRI** hails from Verona, Italy, where he studied a variety of fields including engineering, music, and photography. He is now based in Milan where he is a freelance photographer, allowing him to shoot throughout Italy, Germany, and Switzerland. Crediting over 400 publications including an array of magazine and book covers, Allegri is very proud to have worked for *Hongaku No Tamo*, the most important classical music magazine in Japan. He loves sports, food, music, and people—just not all at once! [nicolaallegri.com](http://nicolaallegri.com)
